1. There is on - ly one God through - out the u - ni - verse, but
2. There is on - ly one race of men up - on the earth, but
3. Earth was one coun - try when God gave it to man, but
4. Re - li - gions are one, as the Pro - phets all have sung, but
5. There is on - ly one - ness through - out the worlds of God, but

3 man mul - ti - plied Him, and so... There's a
man did di - vide it, and so... There's a
man did di - vide it, and so... There's a
man - kind de - nied them, and so... There's a
man won't be - lieve it, and so... He di -

5 your God and my God. What man - kind has to learn is that
black race, a white race. What man - kind has to learn is that
Chi - na, a Tur - key. What man - kind has to learn is that
just my re - li - gion. What man - kind has to learn is re -
vides and mul - ti - plies it. O won't he e - ver learn that

7 there's on - ly one God to know.
there's on - ly one race to know.
earth is one coun - try to know.
li - gion is one thing to know.
there's on - ly one - ness to know.
